1. ESTABLISH CLEAR ROLES AND RESPONSIBILITIES

1.1 Clear Functions between the Board and Management

The Board retains full and effective control of the Group. This includes responsibilities for determining the Group’s overall strategic directions as well as development and control of the Group. To ensure effective discharge of its function and responsibilities, the Board has delegated specific responsibilities to Board Committees, namely the Nomination and Remuneration Committee, Audit and Compliance Committee, Finance and Investment Committee and Risk Management Committee. The Board has also established Board Task Force for each of the Group’s businesses to review the Group’s strategy.

Key matters, such as approval of annual and quarterly results, acquisitions and disposals, as well as material agreements, major capital expenditure, short-term and long-term plans and strategies and succession planning for top management are reserved for the Board. Meanwhile, all Board Committees have their Terms of Reference approved by the Board. These Committees have the authority to examine particular issues and submit reports of their deliberations and major findings to the Board. At each Board meeting, the Chairman of the relevant Committees presents reports and minutes of Board Committee meetings to keep the Board informed and updated on the key issues deliberated by the Board Committees at their respective meetings. The Terms of Reference, composition and activities of the respective committees are stated in their respective reports.

The Board maintains a close and transparent relationship with the Management. A clear limit of authority for Management to manage the business of the Group has been established. Many of the responsibilities of the Board are delegated to Management through the Group Managing Director. The Group Managing Director is accountable to the Board for the achievement of the Group’s corporate objectives which include performance targets and long-term goals of the business.

8.1 Encourage Shareholder Participation at General Meetings

Notices of general meetings and the accompanying explanatory materials are provided within the prescribed time or earlier than the minimum notice period prior to the meetings on the Bursa Malaysia website and by post to shareholders. This allows shareholders to make the necessary arrangements to attend and participate either in person, by corporate representative, by proxy or by attorney.

To encourage participation at general meetings, the Company has in 2012, removed the limit on the number of proxies to be appointed by an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account. The Company has also included a new provision in its Articles of Association in respect of the qualification and the right of a proxy to speak at general meetings. Under the new provision, any person could be appointed by the shareholders as a proxy. The proxy shall have the same rights as the shareholder to speak at the meeting.

8.2 Encourage Poll Voting

Shareholders also have the right to demand poll vote for substantive resolutions and the detailed results showing the number of votes cast for and against each resolution will be announced through Bursa Malaysia.
